

Rouse Matrix Systems™ 1 Banner Cone

to Stretch Your Imagination™

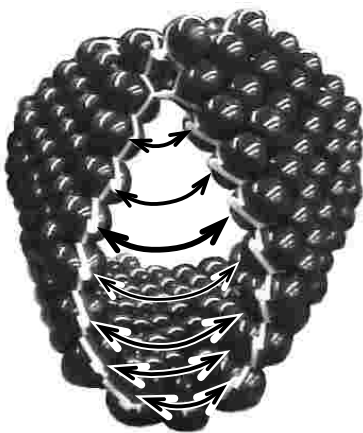

- 1 Fill pattern below in an RMS™ Banner with balloons inflated 4”.

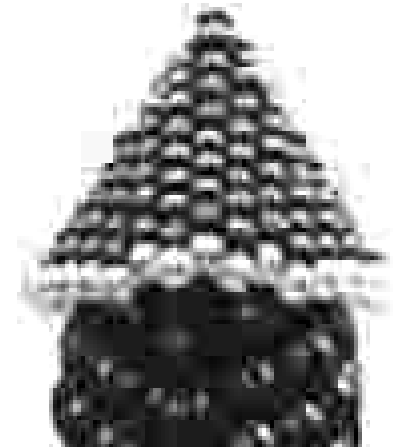

- 2 Cut off excess matrix around outside (dashed line) and two balloon openings in center. Then, pull straight edges around to form cone.

- 3 Connect end tabs and load balloons into the new row of openings.

- 4 Add a cluster of 4 balloons inflated 3.75” to top off the cone.
